Movement II · What Every Human Needs

Hope

The series question: "*And who is my neighbor?*" (Luke 10:29)

PROVERBS 13:12 Hope deferred makes the heart sick, but a tree of life is desire coming.

READ ALONG: Proverbs 13:12; Lamentations 3:19–26

Follow along

1. What does Proverbs say deferred hope does to the heart?

2. What does the writer of Lamentations return to his heart?

3. Why might hope be written in the middle of a book of grief?

4. What does "new by mornings" mean to someone who has lost everything?

5. What have you hoped for a long time that hasn't come?

6. When has a false hope let you down? What did it do to you?

7. Is it possible that some anger we see in people is hope that has gone sick?

Leave them with

THE ONE QUESTION

What hope deferred has made your heart sick?

- 1. Whose sick heart could you sit beside this week?

The empty chair. Every week one chair at our table stays empty. It is for the person you would never invite.
