

GENESIS 13:8

And Abram said to Lot, Please let there be no strife between me and you, and between my herdsmen and your herdsmen, for we are men, brothers.

What do you own that is
costing you a relationship?

WHO IS MY NEIGHBOR?

costing you a relationship?

And Abram said to Lot, Please let there be no strife between me and you, and between my herdsmen and your herdsmen, for we are men, brothers.
