

EXODUS 16:3

And the sons of Israel said to them, Would that we had died by the hand of Jehovah in the land of Egypt, in our sitting by the fleshpots, in our eating bread to satisfaction. For you have brought us out into this wilderness to cause all this assembly to die with hunger.

Who is taking the blame for your hunger?

WHO IS MY NEIGHBOR?

WHO IS MY NEIGHBOR?

Who is taking the blame for your hunger?

And the sons of Israel said to them, Would that we had died by the hand of Jehovah in the land of Egypt, in our sitting by the fleshpots, in our eating bread to satisfaction. For you have brought us out into this wilderness to cause all this assembly to die with hunger.
