

GENESIS 11:4

And they said, Come, let us build a city and a tower with its head in the heavens, and make a name for ourselves, that we not be scattered on the face of all the earth.

What name are you trying
to make, and with whom?

WHO IS MY NEIGHBOR?

WHO IS MY NEIGHBOR?

What name are you trying
to make, and with whom?

And they said, Come, let us build a city and a tower with its head in the heavens, and make a name for ourselves, that we not be scattered on the face of all the earth.
